

8th September 2020

Dear Parents / Carers

Entry to school

Social distancing appears to be working well when entering the school site - thank you for your cooperation. Please avoid parking in Beverley Gardens and across driveways in York Terrace.

One slight change:

If you are bringing more than one sibling could you bring both children for the **earlier time**.

Staggered start time:

Time	EYFS door	Quad	Top door near York Terrace exit	Discovery classroom door via yard
8:40- 8:50 am	EYFS	Starlight	Galaxy	
8:50 - 9am		Moonlight & Rainbow	Armstrong & Apollo	
9am - 9:05am		NASA / Lunar	Mission	Discovery

Staggered finish time:

I am concerned that it is very busy at times with parents trying to access the ramp leading onto York Terrace whilst leaving the school site. Please be patient and await an opportunity to leave the site safely.

Can I please stress the importance of **all adults and children keep 2m apart** and ensure they accompany their child at all times.

To help prevent transmission of the virus we must all ensure that we maintain social distancing and not allow bubbles within school to mix. We want to keep everyone as safe as possible and everyone has a responsibility to minimise any possible wider outbreak in our community.

To try and reduce congestion further please note the following changes:

Time	EYFS door	Quad	Top door near York Terrace exit	Discovery classroom door via yard
3pm	Sunshine & Sunbeam	Rainbow		
3:10pm	Moonlight & Starlight	Galaxy	Armstrong	
3:20pm	Year 5	Apollo	Mission	Discovery

If you are collecting more than one child please come for the later time.

If you can not make the change of time tonight please do not worry, staff as always, will wait to ensure they are safely handed over.

Many thanks

Mrs A Brinton

Headteacher
