Dear Parent/Carer

## Christmas Fair

One more sleep until our Christmas Fair tomorrow between 10 & 12 noon. There are a wide range of Christmas gifts on sale, tea and coffee and Christmas carols. Santa is even sending some of his elves to help with the event. Hope to see you there!

## School Meals

From **Monday 20th November** we are excited to announce that we will be operating a new school lunch ordering system. Upon arrival at school, children will be able to select their chosen school dinner from the menu using their class interactive white board or iPad. This will then ensure they receive their meal of choice at lunchtime.

Children arriving after the start of the school day will need to record their meal choice at the office upon arrival.

Can I please take this opportunity to remind parents that **school starts at 8:55am**. We appreciate your cooperation in ensuring all children are onsite for a prompt start to the school day.

## Children in Need:

Due to Year 1 being on a school trip today we are supporting Children in Need on **Monday 20th November**. Children can come dressed in **non-uniform**. The theme for this year's Children in Need is 'Wear something spotty'. Donations for non-uniform are appreciated. Our school council have organised some stalls at morning break where the children can enjoy some cakes and games. Prices range between 10p & 20p.

## Parking

Once again can I please request that adults do not park their car in Beverley Gardens. Yesterday there were 12 cars parked in the area. As previously mentioned, the gate from Beverley Gardens is to be used as a pedestrian only entry and exit to school to try and allow the children a safe access to and from school.

I am meeting with Cllr Scurfield and local police next week to discuss the challenges faced around parking in the area and to look at any potential solutions.
