

Dear Parents / Carers

**Happy New Year** - We hope that the new year brings you and your family health and happiness.

**Term dates / Curriculum information**

Please find attached diary dates for the spring and summer term. We hope you find these useful.

**Warm welcome**

We would like to extend a very warm welcome to Mrs Marshall, our new school business manager, who joined us on Monday. Mrs Marshall is keen to get to know our school community so will part of the 'Meet & Greet' staff on a couple of mornings a week so you can get to know her.

**Parking**

Unfortunately I am once again writing regarding parking around the school site. As previously mentioned, I have real concerns around the safety of our children as they leave the school site on an evening. We are currently working with the council and local MP to look at how this problem can be addressed. We have cars parked on double yellow lines, on corners, blocking access and limiting pedestrian's views. If cars continue to park in this manner I fear that someone may get hurt.

**We have asked that parents/grandparents do not park in Beverley Gardens. We want this area to be a safe pedestrian route in and out of school. Please do not park here and ensure all adults collecting your child from school are aware.**

There will be parking enforcement officers monitoring the area over the next couple of weeks and they will be issuing tickets to offenders.

I know parking is tricky but we all want our children to be safe. Please park responsibly.

Kind regards

Mrs A Brinton

**HEADTEACHER**
